

## METRO PRO SERIES

- **Application**

The Fanco Metro PRO series are designed for exhaust of bathroom, showers, kitchens and other utility spaces. The fans are compatible with round duct with 200 & 250 models. Available in white.

- **About the Fan**

The Metro PRO ceiling exhaust fans have a built in backdraft shutter and are side ducted, meaning you can connect ducting if required. Both models suit 150mm ducting. The fan has a modern low profile fascia with a plastic motor and cover. The fan comes with a lead and plug for DIY installation.

- **Mounting**

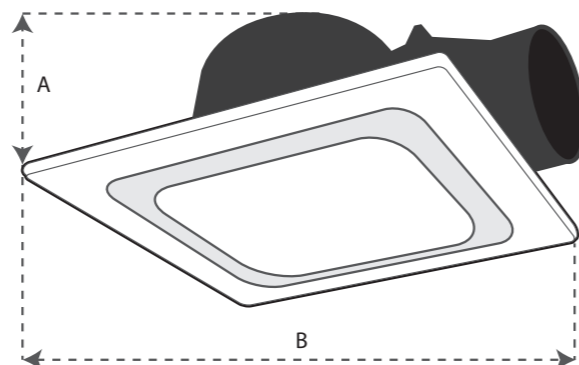

The fan is suitable for ceiling mounting only. Both models require min 220mm of ceiling space.
